NOTICES////////////////////////////////

The next yellow-paper center-section in WORMWOOD will be devoted to the work of Charles Stetler. The 1983 chapbook will feature Steve Richmond and the 1984 chapbook will be an encore by Charles Bukowski. Reminder: the 1982 chapbook was Wilma Elizabeth McDaniel's Flowers In A Tin Can (\$2/postpaid). Unlike most of the mags above, WORMWOOD's subscription rates have not risen; take advantage of us.
